

# International Vascular Biology Meeting 2026

6-10 SEPTEMBER | ADELAIDE, AUSTRALIA

## Sponsorship and Exhibition Prospectus

AUSTRALIAN VASCULAR  
BIOLOGY SOCIETY

# Welcome to IVBM 2026!

**The International Vascular Biology Meeting 2026 Organising Committee invites you to join us in Adelaide, Australia from September 6th-10th, 2026, to learn about the latest groundbreaking advances in vascular biology.**

We welcome scientists, students, clinicians, engineers and biotech/pharmaceutical companies to participate in a vibrant scientific program. The Meeting will feature sessions focussed on blood and lymphatic vascular development, vascular heterogeneity, genetic and epigenetic regulation of endothelial cell identity, immune cell trafficking via the vasculature, vascular engineering, emerging technologies and diseases of the vasculature. These thematic sessions will be accompanied by keynote lectures from international leaders in the field of vascular biology, talks selected from abstracts, poster sessions and sessions focussed on career development for trainees.

The meeting will provide ample opportunities for participants to engage in active discussions, build new networks and foster collaborations.

IVBM 2026 will be held in the Adelaide Convention Centre, located on the banks of the River Torrens in the heart of Adelaide and neighbouring Adelaide's state-of-the-art biomedical research precinct. In addition to spectacular science, Adelaide and South Australia are renowned for stunning beaches, amazing landscapes and outstanding food and wine! We warmly welcome you to join us and experience all that South Australia has to offer!

## Sustainability Matters

We are very pleased and excited to make IVBM 2026 as sustainable as possible to reduce the carbon footprints associated with attending the Meeting.

Here are some of many ways we will be practising sustainability:

- recycling of packaging
- donatable goods, equipment, and furniture, and
- reduce waste as a whole
- charity donations rather than speaker gifts

Click on [this link](#) for further information on the ways the venue are helping towards a truly sustainable event.

**Ask us how you can help.**

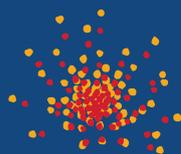

**In an effort to produce an environmentally friendly event and booth, ask us about Ecoboard Displays in place of your traditional booth build: smarter, greener, more versatile!**

## About the Venue

The Adelaide Convention Centre is a centre transformed. A striking landmark on Adelaide's Riverbank, the Centre comprises three independent yet seamlessly integrated buildings: East, Central and West.

Each building takes advantage of their prime positioning on the River Torrens, providing plenty of natural light and panoramic views of the river to deliver a heightened sense of destination.

Close proximity to the entertainment, cultural and sport precinct, the Centre is a short walk to international and boutique hotels and accommodation.

Public transport, the Adelaide Railway Station and a taxi rank are on its doorstep. Adelaide International Airport is just seven kilometres from the Adelaide Convention Centre, making a quick and economic taxi ride.
